Yes. I think that is what Angela was talking about. I believe there is more property down near her property that is contaminated.

Dear Ms. Sesko:

In order to be sure we're providing the specific records you are interested in, could you please clarify specifically which property you are referring to when you refer to Pennsylvania Avenue? If you have a property address or parcel number, it would be appreciated. If it would be easier to call and speak to me in person, please feel free to do so - my number is below.

Thank you,

Carol
